

He's already made it plain how to live, what to do, what God is looking for in men and women. It's quite simple: Do what is fair and just to your neighbour, be compassionate and loyal in your love, and don't take yourself too seriously – take God seriously.

Micah 6:8

In the interest of maintaining this beautiful creation we aim, and at times miss, to be a green event. Free Urban Soul promo videos, desktops, and merchandise for sale available from our website:

what is urban soul?

Urban Soul is an active citizenship programme for youth (+15 years). By partnering with local communities, we seek to serve them and empower them to achieve their dreams. Urban Soul gathers young people who are passionate about social action through projects like area clean-ups, visiting the elderly, running community events, etc.

The underlying values that motivate and guide Urban Soul are those taught & demonstrated by Jesus. His life & message show us that loving God is just the beginning and that we are also called to actively love our neighbours.

Urban Soul seeks to deliver hope, bestow dignity, bring equality of opportunity & inspire long-term change.
